WORK SUMMARY

I have undertaken mini projects with HWE KAN analytics, a company that uses AI technologies to analyze and interpret big data, I assisted in their IoT project with Zoomilion.

I remotely manage the website for Onesquareyard, a real estate company that is located in Sakumono.

Rolled out Inventory system for Department of Information Technology of the Ghana armed forces in 2016 as an intern with a team of 4 software developers

Worked with Seedstars in partnership with HACKLAB Foundation Ghana, in 2018, receiving the best male programmers award with my team.

Developed a standing partnership with RWANDAIR & HOLLARD Ghana during my service with AIESEC In Ghana, and assisted in the project management of BACARDI projects in the country.

Referees: Lawrence Ayi Ashiagbor (Co-Founder at Henytech Solutions)

Betty Ingabire (Country Manager for RWANDAIR Ghana)
